Family Health is excited to partner with the Darke County Health Department, Wayne HealthCare, and Reid Hospital to get the Covid-19 vaccine out to the residents of Darke County. Please be patient as we work within Ohio Department of Health's guidelines. The number of appointments each week will be determined by the number of doses the vaccine collaborative receives from the State. Below are the two options and instructions to have your name placed on the list.

Email: covidvaccine@familyhealthservices.org

Example: Name: James Smith   Date of Birth: 1 26 1939   Phone number: 937-XXX-XXXX

Or Call 937-547-2399 and we will take your Name, Date of Birth, and telephone number and add you to the appropriate list.

Please note, we will call you at the number you give us for appointment time and date.
